Superintendent
Vanessa Belair
Principal

Dear Families,

As we continue to develop as a technology based society, we wanted to take the opportunity to remind students and parents about DECS policy regarding electronic devices at school. As noted on page 10 of the handbook that all families received at the beginning of the year, “electronic devices are not permitted to be used during the school hours unless approved by the teacher for academic use. If students bring electronic devices to school, they must be turned off and kept in their backpacks.” Cell phones, in particular, should be kept in backpacks and turned off. If students have an immediate need to contact their parents, they may do so by talking with their teacher or office staff. This rule is also in place to remind students that usage of social media on these devices during school hours is prohibited.

We thank you again for your support as we continue daily efforts to keep DECS a safe place for our students.

Sincerely,

Vanessa Belair
